Mr. Craig Hambly
Project Manager
G. S. Wark Limited
370 York Blvd., Suite 101
Hamilton, Ontario
L8R 3L1

"via fax only to: (905) 529-4764"

Dear Mr. Hambly:

Craig:

Please be advised that Jarlette Health Services would be pleased to recommend G. S. Wark Limited to anyone interested in building a large institutional residential facility. Having worked closely with both Scott Fearnside (Site Superintendent), and yourself on the construction of Alexander Place (a 128-bed long term care centre in Waterdown), I have found both of you to be highly competent individuals. Your professional demeanor and high credibility with subtrades and suppliers contributed to a well run project.

G. S. Wark demonstrated a great deal of flexibility during this project and we thank you and all your staff for such a positive working relationship during construction.

Sincerely,

Dave Holwell
Vice-President, Business Development
