To Whom it May Concern:

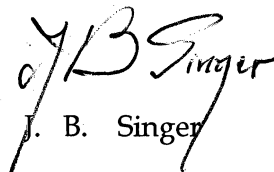

Over the past several years, I have had many opportunities to work with G. S. Wark Ltd. Some of the projects where G. S. Wark acted as General Contractor were:

Shalom Village
Shalom Village Too
United Hebrew Memorial Chapel
Weslink Data

These projects ranged in value from \$ 100,000.00 to \$ 11,000,000.00.

I would recommend G. S. Wark Ltd as a General Contractor because of their high professional standards, ability to maintain and surpass construction schedules and the ease of communication with their site and project management staff. Wark's staff, both on site and in the office, are very knowledgeable and held in high regard by sub trades, Consultants and Owners. They contribute to their projects' success by making many cost savings suggestions and through the anticipation and solving of problems before they negatively impact the project scheduling.

In closing, I recommend G. S. Wark Ltd without reservation.
