Re: WATERDOWN LONG TERM CARE CENTRE

Dear Craig,

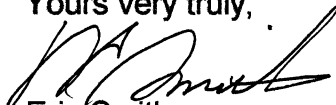

It has been my pleasure to work with you and other members of your firm on the Waterdown Long Term Care Centre.

This project was a challenge to us all as we added a complete second floor addition to the one storey project during construction. Your efforts and cooperation made this difficult task proceed smoothly with a minimum amount of additional time added to the project.

We found your firm to be very professional and competent throughout the course of the project. You made every effort to accommodate our client's wishes in a prompt and efficient manner.

I am pleased to recommend G. S. Wark Limited and we would be pleased to have the opportunity to work with you again. It has been a pleasure.

Yours very truly,

Eric Smith
